

A Way Out Now

Ever been on a journey and gotten lost? Worse yet, lost in a severe storm? You may have wondered, "Can I get out of this alive?" This is like our journey here on earth where we may get lost in the storms of life, or maybe we don't even realize we are lost. The question still applies, "Can I get out of this alive?" The answer is yes!

Remember, we are living in a world created by a God of love. (See [God is Love](#).) He loves you and wants the best for you. Better yet, he offers you a way out now (before your earthly death) from the evil in this world to a better life that continues after your earthly death. By simply turning from your own worldly ways to God's ways, you can start a new, happier and purposeful life now as you spread his love to others.

If you can't trust your life to your creator, who can you trust? He knows how it's supposed to work and offers a way out *alive* to those who surrender to his loving ways. (See [Love Is Surrender](#).)
